Members can register for activities via a Google Form which can be found on the website (www.knpsv.nl) and on Facebook. Members who have registered for an activity of the K.N.P.S.V. within 24 hours of the opening of the registrations, will be admitted to this activity by means of a drawing procedure, provided that there are too many registrations. Members who are not directly admitted to the activity through the drawing procedure will be placed on a waiting list in the order of the drawing.
